MOTION TO WITHDRAW

February 13, 2024

To: The clerk of court and all parties of record

I, Patricia Jorgensen, wish to withdraw. External heightened pressures led me to this decision. Participating to support a private political party has been eye opening for me. As a proud United States voter, I pray the 1st amendment will prevail where I fell short.

Never meant ill will, so I ask the remaining defendants to kindly forgive me.

An email preceeded to all parties of record.

Blessings
